FAQ

What if I can't attend the lessons?

If you cannot attend the lessons from any reason you will be charged for the lesson. Lessons cannot be reimbursed or substituted.

HOWEVER, CMO will do its very best to provide a substitute lesson whenever possible and on an available basis.

Can I get an invoice for the lessons?

No, you may receive a calculation report upon request but the lessons are charged on a contract base and are deducted in a direct debit form.

How do I pay for the lessons?

You will be charged with a direct debit on a monthly basis.

The total amount of the lessons will be divided by the number of months and deducted accordingly.

Lessons are calculated from your first lesson until the end of the school year. So if you started in January for example you will only be charged from January on.

What if I would like to stop with the lessons?

You can cancel the contract with a notice of at least 6 lessons. (Please note, 6 lessons and not 6 weeks) cancellation is only possible by email to administratie@concertinomuziek.nl

After canceling your contract a final calculation will be sent to you and you will only be charged for the following 6 lessons. Afterwards your contract and direct debit will stop.

How do you calculate the total payment?

The total amount per year is calculated as follows:

Number of lessons per year (from starting date) x amount per lesson + security fee = total amount. The amount per month = total amount divided by the number of months from the starting date until the end of the school year.

For example:

Nathan is taking individual saxophone lessons and started in October, according to the vacation schedule Nathan will have 32 lessons this year. The calculation will be as follows:

$32 \times €25,30 + €35 = €844,60$ (total amount)

$€844,60 / 9 = €93,85$ (amount per month)

Can I change instrument during the school year?

We believe in consistency! When you start something you follow through.

Learning an instrument takes time and progress takes work! HOWEVER, sometimes a child worked and progressed and would like to explore new instruments.

That's possible with proper consultation and teacher's advice. Your day/time in this case cannot be guaranteed.

How do I know how many lessons are there per year?

Simple, we always publish our vacation schedule so you can see exactly when you have lessons and when there are days off. On the schedule you will see how many lessons you follow, when will the starting date be, and your last lesson for the school year.

My School's vacation schedule is different than CMO vacation schedule, how do you adjust?

CMO vacation schedule is not flexible. we are taking into account major holidays and national days but we cannot adjust to each student personal schedule. Our vacation schedule is based upon the Noord-Holland vacation schedule and Jewish holidays. If your are unable to attend your lessons because of schedule conflicts we will do our best to compensate for lost lessons when possible but we cannot guarantee this and cannot reimburse or substitute these lessons.
